

Company profile

Headquarter building of WILAmEd in Kammerstein/Germany (© WILAmEd GmbH)

About WILAmEd

WILAmEd is an international manufacturer and distributor of medical devices and accessories in the area of invasive and non-invasive ventilation. Worldwide, WILAmEd products make an important contribution to the respiratory patient care of neonates, pediatrics and adults. As a medium-sized company we serve through authorized trade partners to the homecare sector, as well as clinics, hospitals and rehabilitation facilities. WILAmEd is a company of Loewenstein Group.
