Product discontinuation mask fixture “WILAband”

Dear customers,

The product discontinuation process is a key component of WILAmed’s lifecycle management, allowing WILAmed to maintain a strong focus on delivering high-quality service and support to customers. As part of this process, WILAmed will be discontinuing the following mask fixtures. Please note that production will cease on **December 31st of 2025**.

Mask fixtures

Item number	Description	End of Production
201001	WILAband Milano, 20 mm, turquoise	31.12.2025
202001	WILAband Lima, 25 mm, turquoise	31.12.2025
203001	WILAband Barcelona, 15 mm, turquoise	31.12.2025

Products produced before the discontinuation date may be sold under the previous terms.

Of course, the relevant contact person in our sales team will be happy to answer any questions you may have.

Yours sincerely,

WILAmed GmbH
