

**Fact Sheet**

# Chinstrap Ottawa • Toronto • Québec

## The alternative to a full-face mask

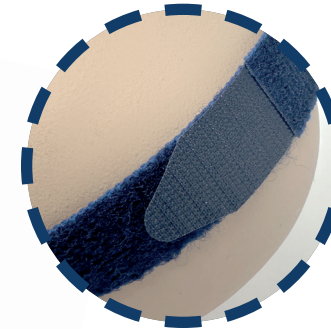

**Ottawa**  
with mesh fabric, navy blue, one-size

**Toronto**  
white, one size

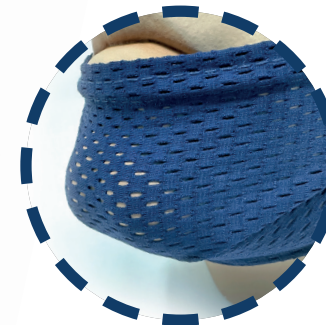

**Québec**  
with mesh fabric, white, one size

### VELCRO FASTENER

Thanks to the Velcro fastening, the mask can be adjusted to fit any head shape, and the chin strap can be fastened either before or after putting on the mask

### SLEEP COMFORT

A comfortable solution for gentle oral support whilst sleeping. An effective alternative to a full-face mask for preventing mouth leakage – particularly for CPAP users who wish to continue using a nasal or nasal-cushion mask.

### FLEXIBILITY

WILAméd chin straps can be used with all standard nasal or padded nasal masks. Soft, skin-friendly materials ensure a comfortable fit throughout the night – without cutting into the skin, causing pressure or slipping.
